## 24" Compact Electric Condensing Dryer

### Ventless Condensing System

Ventless condensing dryers dry clothes without the need for external venting.

### LoDecibel™ Quiet System

LG washers are some of the quietest in the industry. The direct drive motor reduces unnecessary noise and vibration.

### Sensor Dry System

Measures moisture during the cycle, and automatically adjusts the drying time and temperature for optimal fabric care.

### Intelligent Electronic Controls with LED Display and Dial-A-Cycle™

Intuitive controls allow you to "set it and go".

### Wrinkle Care

Dry clothes are periodically tumbled without heat to reduce wrinkles.

### Stacked Configuration

### Side by Side

Design and specifications are subject to change without notice
